

Snack Shack Instruction SFLL 2025

- Please use the designated sign-up genius for Applegate and Colfax BallPark snack shacks. Please include name and contact number. If planning on hiring a teen, sign up is still required with the Parent name and contact number.
- Each snack bar will have a paper sign off sheet. Please sign off when the snack shack shift is completed. Paper sheet will be used for tracking volunteer hours.
- Please sign up early and remember your players' team is priority! You may volunteer for other games but keep in mind your team snack shack needs to be operating during game time as well!
- When a teen is hired to fulfill snack shack duties, please be aware the adult hiring must be present. Adults are required to oversee counting the money before the game, depositing after, snack shack set up and cleaning up after shift. The adult hiring must stay at the ballpark to help out if needed and must pay the teenager cash the same day. Please make sure the teen helper has a parent present before leaving the park, do not leave the child unattended.
- Please reach out to your team parent to arrange a teen helper. 10\$ per shift for Applegate, 20\$ for Colfax. Applegate snack shack requires 1 volunteer per game, Colfax ballpark requires 2.
- Please arrive 30 minutes before game time to set up and plan on staying up to 30 minutes after to shut down. Please follow the check off list available in the snack shack.
- In the event of a rain out or a game cancellation please reschedule. The team parent is responsible for notifying parents when a game is cancelled. Please leave contact information (phone number) when signing up so team parent can easily notify.

Any questions or concerns please contact: Sfllvolunteercoordinator@gmail.com
